THE HEALTH BENEFITS OF A PROPER FITTING BRA

Did you know that wearing a proper fitting bra can help alleviate...

Back Pain

Neck Pain

Shoulder Strain

Headaches

Wearing the wrong size, unsupportive bra during your exercise routine can cause permanent ligament damage in your breast tissues which leads to sagging. If you are wearing more than one sports bra to exercise or to feel supported you are not wearing the right size bra. The Uplifting Makeover offers the Bendon Sports Bra to support you during the most rigorous workout. You will be amazed at how you secure you feel and how the girls stay in place!

LOOKING GREAT IN YOUR SWIMSUIT STARTS WITH YOUR FOUNDATION

The Uplifting Makeover offers a complete line of swimsuits with built-in cup-sized bras that give you complete support. Once you have been measured by one of our Uplifting Consultants, you too will be able to look great and feel secure in our Aerin Rose swimwear and cover-ups. Please ask your consultant to show you our 2009 collection; you will be amazed at the results!

We give you three easy ways to order once you have been professionally fitted:
